

The Central Lake Ontario Conservation Authority (CLOCA) is seeking two (2) summer students for the position of Park Labourer. Student(s) will work with Resource Technicians to conduct maintenance activities and to implement Management Plans on Conservation Area properties. Work will involve restoration, rehabilitation, and protection of Conservation Area land based on natural heritage goals, as well as maintenance and construction of public facilities.

Wage Rate per Hour: \$16.70 per hour **Hours per Week:** 35

RESPONSIBILITIES:

Student will work with Resource Technicians to provide support for land management projects and maintenance service support for buildings, properties and vehicles. This job is a very physical job requiring the operation of heavy equipment, machinery and saws, requiring essential core physical & cognitive requirements for safety. Given the physical requirements, use of machinery/equipment near the public and sometimes working alone on trails, this job is deemed safety sensitive.

Duties include:

- Assist staff in providing and enhancing Conservation Area visitor service in preparing Conservation Areas for public use, including Day-use Picnic Areas, Trails, etc.
- Student will be working in public Conservation Areas, providing a safe and enjoyable environment for visitors, and responding to visitor inquiries or complaints
- Assist staff in building and grounds maintenance; Conservation Area projects, including development and maintenance of public trails and public signage
- Receive ongoing training for health and safety, WHMIS, equipment use and skills development
- Student must be able to perform outdoor, physical labour and be able to work weekends if required
- Must follow Authority policies, procedures, directives and ensure public and staff safety

SKILLS/QUALIFICATIONS

- Current First Aid/CPR certification
- WHMIS training
- Deal with people, problems and situations with honesty, integrity and personal ethics; show interest, initiative and effort
- Work to agreed quality standards and specifications
- Select and use appropriate tools and technology for a task or project
- Work as a team member to complete projects and tasks within the Conservation Areas
- Valid Ontario driver's license
- Must have access to a reliable vehicle to drive to conservation areas
- Student must provide and wear green patch safety boots. Other required safety equipment as prescribed in the Health & Safety Manual is provided by the employer

Send resume and cover letter, no later than May 24th, 2021
